

## 5 Modern Dinnerware Sets Perfect for Small Spaces

Dinnerware sets have come a long way from the traditional white plates and bowls we were used to at home. Nowadays, you can find an array of dinnerware sets modern that provide both style and function. With the rise in popularity of small living spaces, it is important to find dinnerware sets that fit the bill when it comes to design and space-saving features.

### 1. Corelle Square

Corelle is a long-time favorite for its durability and practicality. The Corelle Square sets have a modern edge with their square shape and geometric patterns. These sets are perfect for a small space as they stack up neatly and do not take up much room in the cupboard. They are also dishwasher safe, making them easy to clean up after a meal.

### 2. Gibson Elite Soho Lounge

The Gibson Elite Soho Lounge set is perfect for those who want a more elevated look without breaking the bank. This set includes four each of dinner plates, dessert plates, bowls, and mugs that are all adorned with a sleek, modern design. The best part is that they are made of stoneware, which is more durable than traditional ceramic, and are also microwave and dishwasher safe.

### 3. Mikasa Swirl

The Mikasa Swirl set is perfect for those looking for a more unique and stylish set of dinnerware. The set includes four each of dinner plates, salad plates, soup bowls, and mugs that all have a beautiful sculpted swirl design. The set is made of high-quality porcelain, making it durable, and it is also dishwasher and microwave safe.

### 4. Fiestaware

Fiestaware is a beloved classic that has been around for over 80 years. This dinnerware set modern is perfect for those who want bright and bold colors in their kitchen. The set includes four each of dinner plates, salad plates, bowls, and coffee mugs with a range of colors to choose from. The set is manufactured in the USA and is dishwasher safe, making it an excellent option for those who want a fun and functional set.

### 5. Noritake Colorwave

The Noritake Colorwave set is perfect for those who want a minimalist and modern look. The set includes four each of dinner plates, salad plates, cereal bowls, and mugs in five different neutral colors with a matte finish. The set is made of high-quality stoneware, making it more durable than traditional ceramic, and it is also dishwasher and microwave safe.

## Conclusion

[dinnerware sets modern](#) can transform any meal and add a touch of personality to your kitchen. When looking for a set for a small space, opt for design features that do not take up too much room in your cabinetry. These five sets provide both style and function, making them perfect for any small kitchen.
